

公告

ANNOUNCEMENT

為預防及控制冠狀病毒爆發，並且由於有眾多住在台灣的印尼公民，駐台北印尼經濟貿易代表處敦促所有住在台灣的印尼公民：

To prevent and control the increasing number of Coronavirus outbreak (COVID-19) and due to large number of Indonesian citizens live in Taiwan, it is urged for all Indonesian citizens in Taiwan to:

1. 若有發燒，咳嗽，呼吸困難或其他不適的症狀，必須立即到最近的醫院或健康服務中心進行檢查及觀察；

If having such symptoms as fever, cough, breathing difficulty or other feeling of being unwell, must immediately do medical examination and observation to the nearest hospital or health center;

2. 立即報告或敦促認為可能患有冠狀病毒初期症狀（發燒，咳嗽，呼吸困難或其他不適感覺）之印尼同胞必須立即到最近的醫院或健康服務中心進行檢查及觀察；

Immediately report and/or urge fellow Indonesian citizens who are suspected of having initial symptoms of COVID-19 (fever, cough, breathing difficulty or other feeling of being unwell) must immediately do medical examination and observation to the nearest hospital or health center;

3. 防止舉辦群眾聚會（超過十個人）；

Prevent doing mass gatherings (more than 10 people);

4. 延後或取消參與人數眾多的活動（超過十個人）；

Postpone or cancel activities/events with large number of participants (more than 10 people);

5. 減少去公共場所或擁擠的地方；及

Reduce the frequency of going to any public places or crowded areas;
and

6. 在駐台北印尼經濟貿易代表處進行自陳報告。

Do self-report via Indonesian Economic and Trade Office to Taipei's website (www.kdei-taipei.org).
